

# Make a dragonfly

## What you'll need

- 2 pairs of sycamore seeds
- 1 twig or stick
- Glue or tape
- Paint to decorate

## What to do

### Step 1: Find your materials

To make this dragonfly you need two pairs of sycamore seeds, one pair needs to be slightly different to the other.

You also need a stick or twig that has a wispy end.

### Step 2: Fix the wings to the stick

Use glue or tape to fix the sycamore seeds to the stick to make the wings.

### Step 3: Decorate

Gently paint the wings.
